LIGHTHOUSES

PLYMOUTH COUNTY

The Plymouth County coastline is home to several historic lighthouses.

The uniquely charming Duxbury Pier Light, also known as Bug Light, is in the middle of Plymouth Harbor.

Plymouth Light, also known as Gurnet Light, beckons at the entrance to Plymouth Bay, and historic Scituate Light stands proudly on Cedar Point in Scituate.

Massachusetts 250

In 2025 and 2026, Massachusetts 250 is commemorating the many battles across the state that led to America's independence. Experience the birthplace of American Liberty, where history was made, and the future was forged. In Massachusetts, we are embracing our history, the untold and little-known stories; we are celebrating our independence and innovations from the past 250 years. Join us as we commemorate big events and untold stories and celebrate the revolutions still to come.
